

## Blackburn Stormwater Pond Improvements

### PLANNED PROJECT WORK

As part of the 2021 Capital Works Program, the City of Vaughan is planning improvements to the Blackburn Stormwater Management Pond located behind Blackburn Boulevard.

Construction is expected to begin in the fall of 2021.

### PRE-CONSTRUCTION FIELD WORK

Commencing in mid-July, City-retained engineering consultants will be in your neighbourhood conducting investigation activities including topographic and/or legal surveys, geotechnical boreholes and other field investigation works. The various underground utilities (i.e. gas, telephone and hydro) will be identified by different coloured paint markings.

### TRAFFIC IMPACT

All roads will remain open to traffic while the field investigation work is being carried out by City-retained consultants, under the direction of the Infrastructure Delivery department.

### MORE DETAILS TO FOLLOW

Newsletter No. 2 will be issued prior to construction to provide further details including approximate construction start and end dates.

Thank you in advance for your cooperation. We look forward to completing these important infrastructure upgrades in your area.

For more information, please contact the Project Lead.

### LOCATIONS:

**Blackburn Stormwater Management Pond,**  
 adjacent to:  
 Balding Boulevard  
 Bell Harbour Place  
 Blackburn Boulevard  
 Julian Court  
 Knudson Lane
