- (c) maintain and enforce rules and regulations governing the conduct of the Employees; and
- (d) generally to manage the Corporation and, without restricting the generality of the foregoing, to determine the number of personnel required from time to time, the standards of performance for all Employees, the methods, procedures, machinery and equipment to be used, schedules of work and all other matters concerning the Corporation's operation not otherwise specifically dealt with elsewhere in the Agreement.

3.02 The Corporation agrees that these functions shall only be exercised in good faith and in a manner consistent with the provisions of this Agreement.

ARTICLE 9 DISCHARGE CASES

- 9.01** It is recognized that probationary Employees may be released for reasons less serious than in the case of the discharge of an Employee who has completed their probationary period and accordingly, the release of a probationary Employee will not be subject to the Grievance Procedure.

A claim by an Employee who has completed their probationary period that they have been unjustly discharged shall be treated as a grievance if a written statement of such grievance is lodged with the Corporation at Step No. 2 prior to 12:00 noon on the fifth (5) working day after the discharge is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

- (a) confirming the Corporation's action in dismissing the Employee;
- (b) reinstating the Employee with payment to them for such time lost due to the discharge at their regular rate of pay for their normally scheduled

work for such period less any amounts of money earned by the Employee during such a period;

- (c) any other arrangement which may be deemed just and equitable.

ARTICLE 10 ARBITRATION

- 10.01** When either party requests that any matter be submitted to arbitration as hereinbefore provided, it shall make such request, in writing, addressed to the other party to this Agreement, and at the same time propose three (3) arbitrators for the other party to consider. ARTICLE 11 SENIORITY

- 11.01** (a) Seniority is defined as the length of service in the bargaining unit and shall include service with the Employer prior to the certification of the Union. Seniority shall be used in determining preference or priority for promotions, transfers, demotion, lay-off, permanent reduction of the work force, and recall, as set out in other provisions of this agreement. Seniority shall operate on a bargaining-unit-wide basis.
- (b) In the event that an Employee from the Clerical and Technical unit of the City is moved into this bargaining unit, as a result of the application of any provision of either Collective Agreement, their previously held seniority shall be retained.

11.02 PROBATIONARY PERIOD

An Employee will be considered on probation and will not be subject to the seniority provisions of this Agreement, nor shall their name be placed on the seniority list until after they have completed six (6) months of continuous permanent employment with the Corporation.

Upon completion of such probationary period the Employee shall be placed on the seniority list with seniority based on the date of continuous service in a position within the scope of the collective agreement.

Any Employee who is hired to a permanent position in the bargaining unit with no break in service, shall upon successful completion of the probationary period have their temporary continuous service recognized with establishing their seniority date, however this shall only apply to service in a temporary position that is listed as a classification in Schedule "A".

A temporary Employee as defined in Article 11.09 who is hired to a permanent position in the bargaining unit with no break in service, shall, upon successful completion of the probationary period, have their seasonal continuous service recognized when establishing their seniority date.

11.03 SENIORITY LISTS

The Corporation shall maintain a seniority list showing the date upon which each Employee commenced employment in the Bargaining Unit and the person's classification. An up-to-date seniority list shall be posted twice a year in January and July. A copy of such list shall be mailed to the Secretary of the Union and Unit Chair at the same time.

11.05 JOB POSTINGS

For all permanent position vacancies intended to be filled, the Corporation shall post notices with the information as indicated in Schedule "B" on all bulletin boards for a minimum period of one week and shall send a copy to the Unit Chairperson.

The Corporation reserves the right to revisit completed recruitments posted within three (3) months of a position being filled that has been vacated by an Employee within their trial period.

When it is known at the time of posting that the position will be reviewed within six (6) months of the posting date, then the words "under review" will be with the rate of pay on the posting.

The Corporation will interview internal applicants who meet the qualifications as outlined on the job posting. When there is no successful qualified applicant, the Corporation reserves the right to interview unqualified internal applicants who have applied for the posted position prior to interviewing external applicants.

For positions at Level F and above, the Corporation may choose to advertise the vacancy externally concurrent to the internal posting.

All current internal applicants who have applied for the position will be considered and a selection decision will be made prior to considering external applicants. Human Resources will meet with the interviewed applicant(s) to review the outcome of any interview if unsuccessful, within eight (8) weeks of the Employee receiving notification, and if requested by the Employee.

Employees, except those in a Facility Operator 1 classification, who have completed their probationary period may make written application for such permanent job vacancy within such posting period. Employees in a Facility Operator 1 classification, who have completed twelve (12) months of employment, may make written application for such permanent job vacancy within such posting period. Employees will be limited to one lateral transfer in a twelve month period.

The Corporation will select a successful candidate in respect of any job posting, for a

permanent position, within 3 months of the closing date indicated on the job posting, unless cancelled by the Corporation.

Employees who have been successful to posted positions who are required to remain in their current position will receive their new rate of pay no later than two weeks after accepting the new position.

It is understood that nothing in this Section restricts the right of the Corporation to temporarily assign an Employee to a job currently posted on an acting basis until the posting procedure has been completed and arrangements made to permit the Employee selected, if any, to fill the position.

11.06 JOB TESTING

1. Testing for jobs will be administered through Human Resources or appropriate designate.
2. The test correlating to a particular position will be the same test taken by all applicants for that particular posting.
3. The marking of a test or grading of a test will be managed through Human Resources or appropriate designate.
4. Tests will be relevant and relate to the scope of the position and stated education as outlined in the job description.
5. The minimum percentage or mark required to have passed a test will be determined prior to commencement of any testing and will be conveyed to the applicants prior to the test.
6. The applicant must obtain or exceed the minimum percentage mark of the test in order to be considered further for the job competition.

11.07 PROMOTION

Promotion shall mean a transfer to an occupational classification in the bargaining unit that is paid at a higher rate of pay.

In cases of promotion for positions below Level F, the following factors shall be considered:

- (a) seniority
- (b) qualifications and job efficiency

Where two or more applicants qualify for the position, seniority shall govern. In cases of promotion, (other than to positions outside the scope of the bargaining unit), for positions at Level F and above, the following factors shall be considered:

performance is a matter of record in the Human Resources file

Where two or more applicants are deemed to be equal under (a), (b) and (c), seniority shall govern.

The Corporation may, at its discretion, when there are no qualified internal applicants, promote an internal applicant with the potential to become qualified within a reasonable period of time.

Any Employee so promoted will be given a trial period and may revert to their former position in accordance with Article 11.11 or if the required qualifications are not met within the agreed period of time.

11.08 TRIAL PERIOD

The successful applicant shall be notified within one month following the end of the posting period. They shall be placed on trial for a period of three (3) months from the date of appointment to the new position.

In the event that the Employee proves unsatisfactory in the position, during the trial period of three (3) months, they shall be returned to their former position, wage or salary rate, without loss of seniority.

In the event that the Employee wishes to return to their former position, they shall have the right to return to their former position within three (3) months of the appointment date. The Employee shall be returned to their former position, wage or salary rate, without loss of seniority.

During the trial period of three (3) months the applicant is restricted from applying for other vacancies unless the vacancy results in a promotion.

11.09 ACTING ASSIGNMENT

- a) When required by the Corporation to act in a bargaining unit position at a higher classification level, the Employee shall receive either the 6-months rate (90%), or 1 Year Rate (100%), whichever is the next highest from their regular classification, for the job classification to which assigned, for all hours so assigned.

Except as provided in Article 11.01(b), if an Employee is transferred to a position outside

the bargaining unit, they shall retain their seniority acquired at the date of leaving the unit, but shall not accumulate any further seniority, provided that the Employee returns to the bargaining unit within twelve (12) months. If the Employee is not returned to the bargaining unit within the twelve (12) month period, all seniority shall be lost.

The individual designated as Supervisor, shall receive acting pay when:

- a) the work constitutes for the full portion of a workday preceding or following a lunch break or more and;
- b) the duties assigned to the individual designated Supervisor are beyond the individual worker duties, as prescribed by OSHA requirements; or

The Corporation shall maintain a temporary Employee list showing the date upon which each temporary Employee commenced their classification and the reason for the temporary assignment. A copy of such list shall be mailed to the secretary of the Union and the unit chair twice yearly beginning, January and June.

Such election shall be made in writing to their immediate Supervisor at the time worked. Time off will accumulate to a maximum of 40 hours straight time worked to be banked at 1.5 times (60 hours paid time off per temporary assignment). A temporary Employee cannot accrue additional paid time off during the same temporary assignment.

7. LETTER OF UNDERSTANDING

The parties agree that effective upon ratification, and for the life of this Collective Agreement, the following language shall apply to Employees employed in Water/Waste Water and Drainage classifications, specifically, the classifications of Servicepersons.

Servicepersons who hold a valid Ministry of Environment and Climate Change Operator Certificate (and/or license) shall be paid at the grade as noted below, provided the Employee provides proof that they have obtained the next certificate/license level:

Water Certificate Lever	Grade
OIT	H

OIT	E
Level 1	G
Level 2	H
Level 3	I

The Corporation agrees to sponsor job training for current Servicepersons up to one above the classification level that corresponds to the Corporation's Water Distribution and Waste Water Collection facilities.

When Servicepersons are required to be absent from their regular shift to write examinations for certification, the Employee shall be paid at their rate of pay, for the hours required, upon pre-approval of their Supervisor. The Corporation agrees to pay for a maximum of two exam writing opportunities, per Employee, for each level.

In the event that the Ministry of Environment and Climate Change reduces the level of certification of a Serviceperson, the Corporation shall reduce the Employee's rate of pay to correspond to the level of certification. The effective date of the reduction to the rate of pay shall correspond directly to the date that the Ministry of Environment and Climate Change reduces the level of certification.

In the event that the Ministry of Environment and Climate Change increases the level of certification of a Serviceperson, the Corporation shall increase the Employee's rate of pay to correspond to the level of certification. The effective date of the increase to the rate of pay shall correspond directly to the date that the Ministry increases the level of certification.

Employees employed as a Serviceperson prior to June 15, 2007, shall be "grandparented" and retain their current rate of pay as outlined in the Collective Agreement and receive any and all increases negotiated to that rate.

The Corporation will pay Water and Wastewater operators a premium of \$0.10 per hour for each

8. LETTER OF UNDERSTANDING
Movement of part-time and full-time Employees
Movement to full-time positions

This will confirm the discussion held at full time negotiations on May 15, 2007, and June 15, 2007, referable to the above subject matter.

At that time, we confirmed that the City would be prepared to credit time worked as a part-time Employee in CUPE Local 905 Vaughan Unit for those Employees who subsequently move to full-time positions after ratification of the renewal of the collective bargaining agreement. Credit would be given on the basis that 1820 hours worked as a part-timer would equate to a year of seniority and service in the full-time unit.

For the purpose of calculating service under the full-time agreement, the City will credit an Employee with 15 hours of time worked for each week employed as a part-time Employee prior to 1999.

For the purpose of calculating seniority under the full-time agreement, the City will credit an Employee with 24 hours of time worked for each week employed as a part-time Employee prior to 1999.

A full-time Employee who moves into the part-time unit shall carry their full-time unit seniority date into the part time unit.

Both the City and the Union agreed that this understanding was contingent upon its acceptance by each of the bargaining representatives of the full-time units and the part-time bargaining unit.

Agreed on October 26, 2007

9. LETTER OF UNDERSTANDING

It is the intention of the parties to provide for the job security of the Employees covered by the term of this Agreement to the extent consistent with the obligation of the Employer to undertake the operation of the City of Vaughan in the most efficient and economic manner possible in order that it may satisfactorily discharge its public responsibilities.

Notwithstanding the provisions in letter of understanding #1, one of the potential outcomes of the operational reviews presently underway for Animal Services and Fleet Services may be the contracting out (all or parts) of these specific services. In the event that Management determines at the conclusion of these operational reviews that contracting out of these specific services is a preferred option, Management commits to meet and discuss with the Union prior to proceeding to Council for approval for the contracting out option. Departmental information pertinent to the proposed contracting out shall be made available to the Union.

In the event that a regular Employee is displaced from their job in Animal Services or Fleet Services through the contracting out of work, the Corporation will, in consultation with the Union, take one or a combination of the following actions where possible:

- a) Relocate the Employee in another job in their area of competency, if such is available within the Corporation;
- b) If (a) is not possible, but a position is available for which the Employee could be retrained within a 3 month period, Corporation to provide or identify training opportunities to be successfully completed by the Employee within that 3 month period at the Corporation's cost;
- c) For Employees within two (2) years of retirement, attempt to work out an early retirement arrangement that would be mutually acceptable to the Employee and the Corporation;
- d) In the event of lay-off as a last resort, Employees will be laid off in reverse order of seniority; or
- e) If none of the foregoing action is attainable, and it is necessary to terminate the employment of the Employee in Animal Services or Fleet Services, the City will provide them with six (6) months' notice of termination and provide them with a separation settlement of two (2) weeks' salary per year of service.

Renewed – June 6, 2016

Agreed –October 8, 2021
