## Our knowledge compels us to act.

**We challenge you to commit to a greenhouse gas reduction action for 2010.**

*In the first two years, this event has been a great expression of community concern united in a global concern for planet earth and the people of future generations. We've partnered with the City of Vaughan, Power Stream, and the Woodbridge Agricultural Society to plan an exciting event. Let's brighten a darkened Woodbridge again this year with our hope for and commitment to a sustainable planet!*

***P.S. Bring your own cup, an earth-friendly light, and dress for the weather***
