## Yard Waste in the Asian Long-Horned Beetle Regulated Area

The Canadian Food Inspection Agency issued a control order on February 27, 2004 under the Plant Protection Act. The control order restricts the movement of nursery stock, trees, leaves, logs, lumber, wood, wood chips or bark chips from broad-leaf deciduous trees outside of the Regulated Area prior to being processed to approved specifications.

**The boundaries of the Control Order are south of Rutherford Road, north of Steeles Avenue, east of Highway 27 and west of Dufferin Street. Those living and conducting business within the affected area must make an appointment with York Region and deliver their wood, leaves and yard waste to an alternate facility.**

**For an appointment, please call: 1-877-464-9675**

### IMPORTANT

For more information contact York Region at [www.york.ca/waste](http://www.york.ca/waste) or 1-877-464-9675. Residents are encouraged to contact the Region prior to visiting their sites (i.e. for the current status on their Rules & Regulations; Hours of Operation and Applicable Fees)

All facilities are closed on Statutory Holidays

Fees and Hours of Operation are subject to change without notice
