For Immediate Release

**York Region H1N1 flu immunization clinics at full capacity;
no further patients will be accepted today**

Information and updates available at www.york.ca/H1N1

NEWMARKET – Effective immediately, Thursday, October 29th, the H1N1 flu immunization clinic operating at Vellore Village Community Centre in the City of Vaughan and Ray Twinney Complex in the Town of Newmarket are at capacity and will not accept any further patients today.

People currently in line will be immunized.

Each clinic has a total daily maximum capacity of 1,200 patients.

People in high risk groups are welcome to attend either clinic tomorrow (Friday, October 30th), as well as over the weekend. Please see the clinic schedule below for clinic hours.

The Regional Municipality of York thanks people for their continued patience and understanding.
