**NOTICES**

**CLASS ENVIRONMENTAL ASSESSMENT STUDY UNDERWAY FOR THE NORTH MAPLE COMMUNITY BRIDGE (Connecting America Avenue and Canada Drive over Highway 400)**

This Class EA study will develop and evaluate a range of alternative design concepts for the proposed North Maple Community Bridge to address the multi-modal transportation needs within the broader North Maple Community including:

- Traffic flow and transportation needs
- Community safety (e.g. access of emergency vehicles)
- Health and wellness
- Environmental sustainability
- Excellence in service delivery
- Pedestrian and cycling networks

To Have Your Say and Help Design Your Community please visit [www.northmaplebridge.ca](http://www.northmaplebridge.ca)

**PUBLIC INFORMATION CENTRE ROAD RECONSTRUCTION AND RESURFACING**

The City of Vaughan is planning to reconstruct/resurface the following local roads in Kleinburg and Woodbridge. The project is being planned in accordance with the requirements of the Environmental Assessment Act, R.S.O. 1990c.E18. (For Location Map, visit [www.vaughan.ca](http://www.vaughan.ca), What's On).

**Pennon Road:** Islington Avenue to west limit  
**Daleview Court:** Pennon Road to north limit  
**Kipling Avenue:** Highway 7 to Woodbridge Avenue  
**Villagewood Court:** Kipling Avenue to south limit

The proposed road reconstruction/resurfacing is tentatively scheduled for the spring of 2009. A Public Information Centre will be held to obtain input on the preliminary design and to receive comments from interested parties on:

**MONDAY, FEBRUARY 9, 2009**  
**6:30 p.m. to 8:30 p.m.**  
**Al Palladini Community Centre**  
**Meeting Room #2**  
**9201 Islington Avenue, Woodbridge**

The Public Information Centre will be conducted as follows:

6:30 to 7:00 p.m. – Meet Project Team  
7:00 to 7:30 p.m. – Formal presentation  
7:30 to 8:30 p.m. – Question and Answer Period

Further information is available by contacting:

**Pat Marcantonio, C.E.T., Senior Engineering Assistant**

**Greening Vaughan Tip**  
**Winter Waste Placement**

**SNOWBANKS:** Please ensure your blue boxes, green bins and garbage items are at the curb (i.e. on or beside your driveway) on your designated collection day. Do not place your materials on top of or behind snow banks as it can be difficult for collection crews to access, and may cause materials to spill onto the roadway.

**SET BACK FROM ROAD:** During heavy snowfalls, garbage, blue boxes, and green bin materials must be set back from the curb approximately 0.9 metres (3 ft.) and placed on the right side of the driveway (the side that is on the right when facing the house). This set out requirement helps prevent waste materials from being knocked over or buried by snow ploughing operations.

Thank you for your co-operation!

For more information refer to [www.greeningvaughan.ca](http://www.greeningvaughan.ca) or call the Public Works Department at 905-832-8562.

**NOTICES**

**PUBLIC INFORMATION CENTRE THORNHILL AREA ROAD RECONSTRUCTION, WATERMAIN REPLACEMENT AND STRUCTURE REHABILITATION/REPLACEMENT**

The City of Vaughan is proposing to reconstruct the following residential roads and replace/rehabilitate existing drainage structures. This project is being planned in accordance with the requirements of the Environmental Assessment Act, R.S.O. 1990c.E18. (For Location maps, please visit [www.vaughan.ca](http://www.vaughan.ca), What's On.)

**Thornridge Drive** Charles Street Raymond Drive  
**Clarkhaven Street** Brooke Street Elizabeth Street  
**Old Jane Street** Calvin Chambers Road

In addition, the City is planning to replace the existing 40 year old watermain along the following roadways:

**Charles Street** Raymond Drive Clarkhaven Street  
**Brooke Street** Old Jane Street Calvin Chambers Road

The proposed road reconstruction, watermain replacement and structure rehabilitation/replacement is tentatively scheduled for this summer of 2009. A Public Information Centre will be held to obtain input on the preliminary design and to receive comments from interested parties on:

**THURSDAY, FEBRUARY 12, 2009**  
**6:30 p.m. to 9:00 p.m.**  
**Thornhill Presbyterian Church**  
**271 Centre Street, Thornhill**

The Public Information Centre will be conducted as follows:

6:30 p.m. to 7:15 p.m. - Meet Project Team  
7:15 p.m. to 8:00 p.m. - Formal Presentation  
8:00 p.m. to 9:00 p.m. - Question and Answer Period

**Explore Your Future!**

This is an opportunity to experiment with options for growth and development in Vaughan over the next thirty years. VaughanQuest is a sophisticated scenario-planning tool and a visual communications tool which animates scenarios based on policy choices, and displays the potential results of those choices in the year 2031. At its core is a powerful integrated modeling system based on years of university research and developed at Envision Sustainability Tools, Inc. in Vancouver, B.C.

With VaughanQuest Online, you are able to explore growth and development choices in six policy areas, including where people live and work, how they travel and environmental programs. VaughanQuest Online will show you maps and graphs of the results of those for a 25-year period.

To use VaughanQuest Online, you must have the Flash plug-in (version 7, 8, or 9). To quickly upgrade, please use the Flash Player Download Centre at [www.adobe.com/downloads/](http://www.adobe.com/downloads/).

To access VaughanQuest Online visit [www.vaughantomorrow.ca/OPR/vaughan\\_quest.htm#](http://www.vaughantomorrow.ca/OPR/vaughan_quest.htm#)

**CROSSING GUARDS NEEDED**  
*Help Keep Children Safe!*

We are currently looking for **Crossing Guards** for:

- **Dr. Roberta Bondar PS** (new crosswalk)

We are also looking for **Stand-By Crossing Guards** for all areas of Vaughan. The position pays \$12.25 per hour. Crossing Guards are paid a minimum 3 hours per day and may be eligible to receive a daily travel allowance.

For complete details, visit [www.vaughan.ca](http://www.vaughan.ca).
