

NOTICE OF PUBLIC CONSULTATION CENTRE No. 2
COMMUNITY OF KLEINBURG-NASHVILLE
WATER AND WASTEWATER SERVICING STRATEGY MASTER PLAN

The Regional Municipality of York has completed a Schedule 'C' Class Environmental Assessment study for the provision of water supply and storage and wastewater servicing capacity for the community of Kleinburg-Nashville, and subsequently a Region-Wide Water and Wastewater Master Plan. In keeping with the Region's plans, the City of Vaughan is planning to provide local water and wastewater servicing to meet the needs of the Kleinburg-Nashville community.

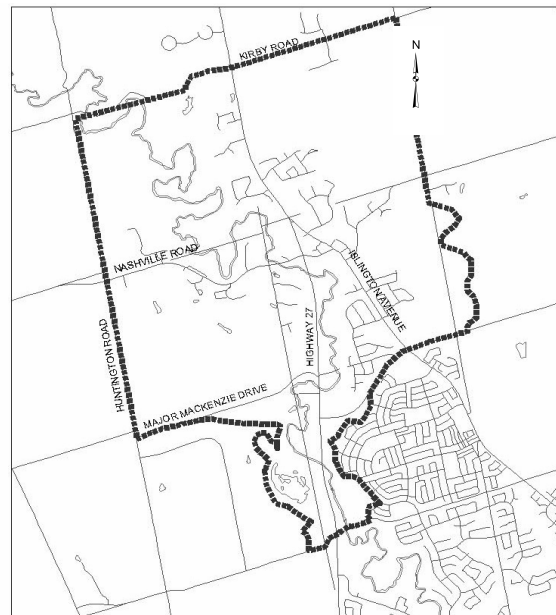

The City has initiated a Master Plan Study to identify preferred approaches for providing local water and wastewater servicing for the community of Kleinburg-Nashville in order to service the needs of existing residents and future population growth. The Master Plan process began in the fall of 2007 and has proceeded to Phase 2 (Alternative Solutions) of the Class Environmental Assessment process.

The Master Plan is following Section A.2.7 Master Plans of the Municipal Engineers Association Municipal Environmental Assessment (October 2000, as amended 2007) and will fulfill Phases 1 and 2 of the Class Environmental Assessment (EA) Planning and Design Process. Public and review agencies are invited to provide input and comment for incorporation into the overall planning and implementation of the project.

A first Public Consultation Centre was held in November 2007. In order to present the preferred design concepts for water and wastewater servicing, and as part of the consultation process, a second Public Consultation Centre is scheduled as detailed below. We encourage attendance and input at this Public Consultation Centre for incorporation into the planning and design of future services.

Subject to the comments received and the receipt of the necessary approvals, the City of Vaughan intends to proceed with the planning, design and construction of the required infrastructure as development in the Kleinburg-Nashville area proceeds and as it is deemed necessary by the City. An Open House will be held:

THURSDAY, MARCH 25, 2010
Open House from 7:00 p.m. to 9:00 p.m.
Kleinburg Public School
School Gymnasium
10391 Islington Avenue, Kleinburg

Kleinburg-Nashville Community Plan
----- **Approximate Limit of Master Plan Study Area**
