

A Community Partnership

The challenge of building public infrastructure must be met to ensure the continued growth of our communities. This is only possible through a cooperative effort between all levels of government and key stakeholders. The City of Vaughan has successfully established private-public partnerships that have benefited both residents and local businesses. With government support, construction of this new soccer stadium will create corporate sponsorship opportunities to ensure that this project will be a viable long-term asset.

Benefits

Building a 20,000-seat stadium in the City of Vaughan as part of the new Vaughan Soccer Campus will benefit the entire Greater Toronto Area and surrounding regions.

- Centrally located in the Greater Toronto Area
- Easy access to highway network
- Close proximity to the international airport
- Strong community support for soccer programs
- High local participation rates
- Multi-purpose facility
- Established soccer training facilities
- Home to the Soccer Hall of Fame
- Major tourist destination

Soccer superstar Giorgio Chinaglia, formerly of the New York Cosmos and Lazio in Italy, visited with Mayor Michael Di Biase recently and expressed his support for a world-class soccer stadium in Vaughan.
