The City of Vaughan offers two Pre-Authorized Payment Plans

Plan 1 – Eleven Monthly Payments

Property taxes may be paid in 11 lower monthly payments rather than 6 larger installment amounts per year. Two notices are issued each year. The first mailed in December advising the monthly amount to be paid from January to July. The second notice in July advising the monthly amount for August through to November. No payment is required in December.

Plan 2 – Installment Due Date Plan (6 payments)

The actual installment amounts from the interim and final billings are deducted from the bank account on each due date, 6 in total for the year.

You may sign up for these programs any time during the year as long as there is no outstanding balance on your account. Please Note: Applications for both programs must be received at least 10 days prior to the first withdrawal date.

Economical: There are no administration or interest costs for this program. One authorization is all that is required for payments to be deducted automatically from your bank account. This reduces postage and cheque costs.

Convenient: You will no longer have to write cheques. The payments will be deducted from the bank account on the 1st banking day of each month for the 11 month plan or on the actual Due Date of each installment.

Secure: There are no cheques to get lost or stolen.

Assured: Payments will always be made on time – even if you're out of town, avoiding the embarrassment of missed payments, and the cost of any penalty charges.

Easy to Change: If there are changes to your banking information, or should you sell your property, immediately notify the Tax Department in writing of the change in order for payments to continue without interruption. Notice of any changes to your banking information must be received no later than ten days prior to the next withdrawal date in order for our office to update our files for the next payment withdrawal. If the information is received less than ten days before the next payment and your bank returns the payment, the normal fee will be charged. If an incorrect amount is processed against your account, notify the Tax Department to have it corrected.

Penalties & Charges: The City will charge a fee, plus applicable penalty, for any payment not clearing through the bank. Two payments not cleared by the bank and returned to the City will result in cancellation of the program.

Contact Us: For further information on the Pre-Authorized Plan, please call the City of Vaughan Property Tax Department at 905-832-8502 Fax: 905-832-8566
