### SITE SCREENING QUESTIONNAIRE

1. Is there reason to believe that the lands may be contaminated based on historical land use? <sup>NOTE</sup> <b>NOTE:</b> Possible offending uses may include: disposal of waste materials, raw material storage, residues left in containers, maintenance activities and spills. Some commercial properties such as gas stations, automotive repair garages, and dry cleaning plants have similar potential. The longer a property is under industrial or similar use, the greater the potential for site contamination. Also, a series of different industrial or like uses upon a site could potentially increase the number of chemicals which are present. ## NOTES

1. Any application fees paid prior to the date this By-law comes into force, shall be credited to the amount(s) due under this By-law.
2. If an application is withdrawn in writing by the Applicant:
  - a) prior to a technical report proceeding to Committee of the Whole, 30% of the fee may be refunded;
  - b) prior to a Public Meeting, 50% of the fee may be refunded.
3. Should the Applicant request that a Public Meeting be cancelled (after Notices have been mailed out) and held at a later date, the total cost incurred for the second mailing of a Public Meeting Notice shall be borne by the applicant.
4. An appeal of any of the above-noted Development Applications to the Ontario Municipal Board shall be subject to a \$625.00 Planning Department Administrative fee, to be paid by the Appellant.
5. Site Development applications for new individual (excluding new single-detached residential dwelling developments(s) proceeding through the plan of subdivision approval process) single-detached dwellings that are to be constructed within the Kleinburg-Nashville Heritage Conservation District Study and Plan, as defined by OPA No. 200, as amended by OPA No. 658, are subject only to the Simple Revision fee for Site Development Applications, and will require Council approval of the application.
6. For Mixed Use development, where more than one use is proposed on a site, the applicable Site Development fee shall be the Base fee, plus the total of the fees for each individual use added together.
7. Minor Official Plan Amendment: A "Minor" Official Plan amendment is an Official Plan amendment that:
  - i) proposes a small-scale exception to a specific Official Plan standard (e.g., minor changes to the number of permitted units; building height; gross floor area; or to add a site-specific use limited in scale);
  - ii) proposes a minor change to a specific policy that is limited in scope and typically to one property;
  - iii) maintains the intent and purpose of the Official Plan; and,
  - iv) shall have limited impact or policy implications beyond the subject lands.
8. Major Official Plan Amendment: A "Major" Official Plan amendment is an Official Plan amendment that:
  - i) proposes a redesignation or change in land use for a property(ies);
  - ii) requires many changes to the policies and schedules of the Official Plan;
  - iii) is more significant in scale and scope than a minor Official Plan amendment, and which may have greater impact or policy implications beyond the subject lands. Applications relating to more than one property would normally be in this category;
  - iv) a site-specific application representing a large scale development/redevelopment or a change in use. An application involving significant changes to the text or policies of the Official Plan would also fall in this category; and,
  - v) an Official Plan amendment within a Heritage Conservation District.
9. Official Plan and Zoning By-law Amendment and Site Development Applications – Recirculation fee applicable when substantial changes are initiated by the applicant that requires a full recirculation for review and comment prior to Council approval. When more than one related application (e.g., Official Plan and Zoning By-law Amendment) is filed, the fee shall only be applied for one of the related applications.
